WEEKLY NEWS

On Monday we welcomed Margot from Father Hudson's to talk to us about how money raised is used by the charity. The children have all gone home with a small bag and any donations are greatly welcomed so that we can support this great cause.

Reception had a great time at the start of the week learning about Palm Sunday. All of the children dressed up and re-told the story beautifully.

Year 2 went to Sacred Heart School yesterday to take part in the Mousike Ensemble. The children had a great time and are looking forward to sharing with their own parents next week.

Thank you for all of the donations of Easter Eggs today. We are looking forward to drawing the raffle on Thursday so there is still plenty of time to buy tickets or donate an egg!

Well done to our children that received their sacrament of First Confession last night. We are very proud of you.

Have a lovely weekend.

OUR WEEKLY MISSION

This week our Mission is to enter into the presence of Jesus.

Step into the Light *Mission*

The Examen Prayer helps you to look back on your day with the help of the Holy Spirit.

Begin by inviting the light of the Holy Spirit into your thoughts. Give thanks for the good things you have received during the day. Notice where you have been sad or not at your best. Reflect on how you could show greater love tomorrow.

GOSPEL VIRTUES

This half term pupils are growing to be faith filled and hopeful.

El Salvador Cross Competition

For Christians, the cross is a sign of hope because it symbolises Jesus' resurrection after his death.

The people in El Salvador are relatively poor and the people have suffered many conflicts in recent times. Christian Bishops, Priests and Nuns have even lost their lives standing up for the poorest people, but they have faith that the future will be peaceful.

For El Salvador, images of the sun, flowers, animals, people and homes represent reminders of the good things in life. The designs are in bright colours because they are a sign of hope.

Task:

We would like a Cross designed for our school of St Anne's. We would like it to be bright and colourful and full of images that represent our school and community. The winning designs will then be printed and displayed around school so that everyone can enjoy them.

Please can designs be bought back into school by Friday 19th April.

A Parent's Guide to Cyberbullying

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
