WELCOME BACK

We hope you all had a wonderful couple of weeks off with your children and got to spend some quality time together

Our year six children will be sitting their SATs in the week commencing 8th May. If your child is in year 6, please do ensure they are in school every day so that can be filled with confidence and can perform to the best of their ability. It is really important that they get plenty of sleep in the next couple of weeks so they are rested and ready. We wish them all the best—they have worked really hard and have made fantastic progress this year.

AFTER SCHOOL CLUBS

We still have places available at our after school clubs. If you are interested in sending your child to one of these clubs, please see Mrs Gough and she will be happy to support you. It's a great opportunity for the children to be active, or learn a new skill, and offers excellent value for money.

SWIMMING

The year 5 children have started swimming lessons today. Please ensure that girls' hair is tied back tightly and that they have all of the kit required to enable them to take part. Please send in your consent form if you have not already done so. You can send your monetary contribution to the class teacher for the office. Thanks

NEW STAFF

For those of you who do not already know, Mr Starbuck has taken the difficult decision to hand in his notice after a period of ill-health. Obviously we all wish him the very best, and we send him on with our good wishes and prayers.

We are extremely grateful to Mrs Masterson for increasing her hours, and coming out of her much deserved reduced working week, to ensure continuity and excellent provision for the children. She has been doing an amazing job and we know that the children have absolutely loved having her as their teacher for more of the working week. Miss Pidgeon and Mrs Jussab continue to do a fantastic job in supporting her and your children. Before the holiday, we did manage to appoint someone who we feel will be an excellent addition to our staff team. Miss Lee is a very experienced Reception teacher who will be taking over the permanent role in September. She is currently working in London but is originally from Coventry and is keen to return to her home city. We look forward to welcoming her to St. Anne's.

PLACES FOR RECEPTION

As you may know, parents of children who are four, or who will be four before the 31st August, have now been allocated the school where their child or children will attend Reception class.

If you know of any children who fit this age bracket and have not yet applied for a school place, we do have places available for September. We are more than happy to show any potential parent around our lovely little school if they would like to phone the school office for an appointment. We believe our children get off to a wonderful start here, so please advertise this fact with your friends and family.

PLAYGROUND SAFETY

We have had complaints of young boys riding their bikes, and pulling wheelies, through our playground at the end of the day when the children are leaving. This is a reminder that all bikes, scooters etc need to be left by the gate and people walk down to do their collecting. The safety of our children is absolutely vital.

"Love one another, as I have loved you, in home, school and parish families."

Well done to all of our wonderful stars this week.
