### WELCOME BACK

We were all delighted to welcome back the children after what has felt like a long, but not very hot, summer break. There has been a definite chill in the air since coming back to school too. I hope you all got to spend some fun filled days and weeks with your little ones.

As you will have noticed, we have continued to upgrade the entrance to the school. This is to keep your children even more safe. The new door matches the one that was installed last year. It is much heavier than the old door so the younger children might struggle to open it. We have continued to upgrade the school with new tables and chairs in year 3 and new sinks in all of the classrooms. We like our children to come into as bright and clean a school as possible.

### UNIFORM

Thanks to the vast majority of children who have returned to school in the full and proper uniform. Our children look so smart. Please be reminded that ties are compulsory, as are GREY skirts, trousers or pinafores. We do not wear black. Uniform, strictly speaking, means the same. Any child not adhering to it precisely is not 'the same' and that is when little difficulties arise.

We told the children today, if Banjo can get it right, remembering the tie, they can too!

### EARLY CLOSE ON FRIDAY

Thank you to the vast majority of parents who remembered to collect their children at 2.00 today. Mrs Gough sent many reminders, but we understand that it might take a little getting used to before it becomes ingrained. Today, we had fourteen children who we were not expecting to be left. I am sure that next week there will not be a single child left behind.

### NEW STAFF

For those of you who have been coming to the school for a long time, you will now have met our two new members of staff in school. We are delighted to formally welcome Mr Harwood (Nursery teacher) and Mrs Goddard (Reception teacher). We wish them many happy, successful years at St. Anne's.

### SECONDARY PLACES

Although the children have only just started in year 6, it is already time to be thinking about applying for their secondary place. We strongly promote Bishop Ullathorne for our children, not only because it is where the majority of the children go—making the move so much easier for the children—but because of their outstanding academic success. Deadline for applications is 31st October. The year 6 children will have a leaflet explaining all but we will be providing you with some hints, tips and advice on applying for a place. This meeting will take place on Friday 27th September at 2.00pm. Please do keep the date free as we don't want any of our parents to waste an option by choosing a school that we know their child will not be allocated a place to. It's vital information to help you make a genuinely informed choice.

### ALDI

If you shop in Aldi, please collect the 'Kit for School' stickers.

We only need 300 to access some much needed, free resources. Thanks!
