## **Newsletter: Friday 4th October 2019**

### **EXTRAORDINARY MISSION MONTH**

October is extraordinary mission month. In partnership with our Catholic feeder school, Bishop Ullathorne, we are asking for donations of unopened toiletries that we could pass on to the mission team at the school. Any donations will be taken to refugee camps where there is a huge amount of need. We thank you, in advance, for your contributions.

### **SMOOTHIE BIKE AND SUB DAY**

This week has been a wonderful opportunity for the children to sample a 'sub-day' in school along with a healthy, fruity smoothie. A bike became the smoothie maker for the day and the children had great day pedalling with all their energy to power the mixer to make the smoothie. Whilst talking of healthy lifestyles, next week is National Wellbeing week, with Thursday being 'World Mental Health Day.' The children will be off timetable for the day and will be taking part in some activities that promote health and well being. Included in this will be the opportunity for each child from years 1-6 to experience a yoga session. This is good for both their emotional well being and their fitness. They will need to have their PE kits for this so please do make sure that all children have it in school on that day. We will post lots of lovely pictures of the children attempting their sun

salutations and their downward facing dogs. We are sure they will have a wonderful day. Namaste.

### **CAFOD**

Many thanks to all of you who sent your children in non uniform today, with a donation of £1, to send to CAFOD. We are delighted with the response, having raised an amazing £213. You are all fantastic! Thank you so much.

### **YEAR 6 CONFIRMATION**

The date for this year's confirmation has been confirmed as 12th March at 7.00pm in St. Anne's church. Mass will be celebrated by Bishop William Kenney. The first mass of enrolment for both the Confirmandi and the children receiving First holy Communion is on 24th November—9.00 mass at St. Anne's. Father David will be holding a meeting for the parents of the Holy communion parents and the confirmation parents in Corpus Christi church on 17th October at 7.00pm. Please do make this vital meeting as non-attendance can mean the children have to delay for a year. We will send reminders. Staff from school will be there too to support and to answer any questions you might have.

### **OCTOBER IS THE MONTH OF MARY**

Throughout October, we think even more deeply about our mother, Mary. The children will be saying the rosary as a whole school family and we would like to extend the invitation to our parents also. You are very welcome to join us on Monday 7th October and Monday 14th October. Please bring your rosary beads with you! The first session will be led by me but the second session will be led by the children in the school. You are most welcome, and we hope that some of you can make it. Praying as a whole school community is always so powerful.

If you have any concerns or worries, please do make an appointment to see me. I am always very keen to help. Have a lovely weekend. Mrs Baylis

**"Love one another, as I have loved you, in our home, school and parish families."**

Well done to all of our wonderful stars this week.

## Online Safety Newsletter: October 2019

### Nintendo Switch

Nintendo Switch (and the newer Switch Lite which launched last month) offers lots of fun and age appropriate games to play and by setting up appropriate controls, it can offer a safe and fun environment to play games.

#### What is Nintendo Switch Online?

This is a paid service that allows the user to play online by linking to other Switch consoles. Nintendo's guidance states *'this service should not be used by account users who are under 13 years old'*. Due to its online nature, children could be playing games with people they don't know which has risks such as being exposed to inappropriate language. If you do choose to purchase this service for your child then set up the appropriate controls detailed below.

#### Parental Controls App

There is a Nintendo Switch Parental Controls app available which is free to download to your phone (or other smart device) which you can then link to your child's Nintendo Switch in order to monitor what they are playing. You can also set some restrictions on the Nintendo Switch. You can use the app to:

- see what video games your child has been playing
- how long your child has been playing for and set time limits
- set which games can be played based on their PEGI age rating
- turn off voice chat
- restrict spending in the Nintendo eShop

#### Further information

For further information and guidance, visit the following links:

- <https://www.nintendo.co.uk/Nintendo-Switch/Nintendo-Switch-Parental-Controls/Nintendo-Switch-Parental-Controls-1183145.html>
- <https://www.common sense media.org/blog/parental-controls-nintendo-switch>

### Netflix

Does your child watch Netflix? You can add a PIN to your account so a 4-digit PIN must be entered to either play any TV show or movie above a selected maturity level (on all profiles) or to play a specific TV series or movie (on all profiles).

Alternatively, you can create up to 5 personalised profiles in your Netflix account for each member of the household. You can then choose a maturity level for each profile to control the TV shows and movies they can view.

For younger children, you could create a child profile which only includes content appropriate for children.

Find out more here:  
<https://help.netflix.com/en/node/264>

## Digital Wellbeing

We all need to be aware of how being online can affect us and look after our digital wellbeing. Childnet have further information about what digital wellbeing is as well as how you can support your child's digital wellbeing tailored to their age:

<https://www.childnet.com/parents-and-carers/hot-topics/digital-wellbeing>

## Guided Access with iPhone, iPad and iPod touch

Turn on Guided Access when you let your child use your device. Guided Access limits access to one app. This can be set up in Settings. To find out how to set this up, follow these instructions:

<https://support.apple.com/en-gb/HT202612>

82 % of 5 – 7 year olds go online for around 9½ hrs a week  
Source: Ofcom children and parents media use and attitudes 2018

## The BBC Own It app has launched!

The BBC Own it app is now available to download. It includes its own keyboard and lots of content to help your child develop healthy online behaviours. The app monitors how your child interacts with their friends and family and uses artificial intelligence to try and see how your child is feeling.

The keyboard analyses your child's activity to recommend content that might be helpful or may intervene when a child is typing something to check that they are happy to share that information. Here are some examples:

- If your child is typing their phone number, the app will prompt the child to 'think safe' before sharing it.
- If they are typing something that could be deemed as unkind, they will be asked if they really want to say that.
- If the child types a nice message then they are reminded that they are doing great!

The app also includes lots of content from BBC Own it, videos, quizzes, gifs and memes.

More information is available here:

<https://www.bbc.com/ownit/take-control/own-it-app>

## Screen time

Are you worried your child has too much screen time? Internet Matters have produced these great guides which include the benefits and challenges of screen use as well as top tips for managing your child's screen time based on their age.

Available here:
