HARVEST ASSEMBLY

Thank you very much to all of our wonderful parents who contributed to our harvest collection this year. Anna Marie Maguire has already safely delivered what we collected to our local food bank. In this way, we know we are helping our closest neighbours at times when they find themselves in need. We were so proud of the children in year 5 who delivered an assembly today around the topic of harvest. They sang beautifully and were all confident in their delivery. Well done, year 5, and thank you again.

FAN THE FLAME

While the year 5 were teaching us all about the harvest, our Year 6 were at Holy family Church along with the other year 6 pupils from every Catholic school across the city. They were thinking of, praying to and singing about the Holy spirit. As always, they represented our school fantastically well. Their behaviour was impeccable and we could not be more proud of them.

SCHOOL COUNCIL

Over the past few weeks, children have been writing manifestos, giving speeches and generally sharing with the children why they should be elected as school councillors in their classes. Voting has taken place this week and the results of the election are in. Thank you to all of the children who put themselves forward, we were so impressed with the effort that they put in to their campaigns. Mrs Wear is really looking forward to working with the new school councillors for this year and we look forward to seeing how they help our school to continually move forward. Those chosen for this year are:

Year 2: Kevin and Chey

Year 3: Jayden and Rebecca

Year 4: Michelle and Guy

Year 5: Joshua, Praise and Eliana

Year 6: JP, Gloria, Terry, Kaylen and John

DISCO

We still have lots of tickets left for the disco on 31st October. It will be quite a sad and sorry little disco if we only have 20 children there so please do encourage your children to attend. They have a fantastic time and are fed for the evening too—it essentially means you get an evening off from cooking and cleaning!! Let Mrs Gough know if you are interested and she will gladly send you a ticket. Fancy dress is completely optional but it would make it such fun if all the children were to dress up.

SCHOOL UNIFORM

Please can we politely remind you that when the children come back after half term they should all be wearing their winter uniform. This means polo shirts need to be put away, along with summer dresses. The weather is far too cold for the children to be wearing the light dresses and we want to protect them from the elements as much as possible. Also, another polite reminder that children should all be wearing school shoes, not trainers. I know I have said it before, but it is good training for them for when they get to secondary school. Trainers are not tolerated in secondary school so they might as well learn that lesson now. When the children are all in their uniform together they look amazing. I was so proud of the year 6 today who all looked incredibly smart in their uniforms. We had to lend a couple of jumpers and one tie, but once we had sorted that they all looked amazing. The tie is such an important part of our uniform—it is what sets us apart from hundreds of schools across the country who wear a navy jumper with **grey** trousers or skirts. Please encourage your children to wear it with pride every single day. Many thanks. Have a great half term with your wonderful children.

“Love one another, as I have loved you, in our home, school and parish families.”

Well done to all of our wonderful stars this week.

	Star 1	Star 2

Digital Wellbeing

We all need to be aware of how being online can affect us and look after our digital wellbeing. Childnet have further information about what digital wellbeing is as well as how you can support your child's digital wellbeing tailored to their age:

<https://www.childnet.com/parents-and-carers/hot-topics/digital-wellbeing>

Guided Access with iPhone, iPad and iPod touch

Turn on Guided Access when you let your child use your device. Guided Access limits access to one app. This can be set up in Settings. To find out how to set this up, follow these instructions:

<https://support.apple.com/en-gb/HT202612>

82 % of 5 – 7 year olds go online for around 9½ hrs a week
Source: Ofcom children and parents media use and attitudes 2018

The BBC Own It app has launched!

The BBC Own it app is now available to download. It includes its own keyboard and lots of content to help your child develop healthy online behaviours. The app monitors how your child interacts with their friends and family and uses artificial intelligence to try and see how your child is feeling.

The keyboard analyses your child's activity to recommend content that might be helpful or may intervene when a child is typing something to check that they are happy to share that information. Here are some examples:

- If your child is typing their phone number, the app will prompt the child to 'think safe' before sharing it.
- If they are typing something that could be deemed as unkind, they will be asked if they really want to say that.
- If the child types a nice message then they are reminded that they are doing great!

The app also includes lots of content from BBC Own it, videos, quizzes, gifs and memes.

More information is available here:

<https://www.bbc.com/ownit/take-control/own-it-app>

Screen time

Are you worried your child has too much screen time? Internet Matters have produced these great guides which include the benefits and challenges of screen use as well as top tips for managing your child's screen time based on their age.
