ENROLMENT MASS

On Sunday, at 9.00 mass at St. Anne's church, father David will be formally presenting the children who will be receiving the sacraments this year to the rest of the parish. It is a wonderful way for the school and parish community to know who the children are and for us to be able to support them on their journey. If your child is making their first Holy Communion, or being confirmed this year, please do ensure they are at the mass so the children can be presented. It would be wonderful to see as many children from school there too in a show of support for them.

BLESSING OF THE CRIB

The annual 'Blessing of the crib' will be happening on Sunday 1st December in town at 4.00pm. This is always a simple but beautiful event, which marks the start of advent for all of us. It is a wonderful coming together of the community, and it is the one event that really makes me feel that Christmas is fast approaching. If you have never been to it before, please do consider coming along and listen to some simple readings and to hear some traditional carols being sung by representatives from our Catholic schools.

KS2 MOVIES AND MUNCHIES

Next week will be the second of our 'movies and munchies' evenings. The KS1 event was a great success, and we really hope that the children enjoyed the film and the food provided. For KS2, the children will be treated to the new Lion King film. It has only just been released on CD so it is hopefully a film that most of them have not seen yet. People that saw it when it was on in the cinema, say that it is a fabulous film. We hope the KS2 children also have a lovely evening. Just as with the KS1 evening, there will be a tuck shop that the children are welcome to buy some additional treats from, but we will provide them with a hot dog or a vegetarian alternative.

COLDER WEATHER

We have seen a huge drop in temperature this week. Our school is always nice and warm, but the children do spend a portion of their day outside and need to be wrapped up appropriately. Please make sure all children have coats and help them to learn how to do them up if your children are younger. Some of our children are sent in with a coat but then, in their haste to get out, do not put it on! Please remind them to wear whatever you provide. We always remind them but sometimes a gentle reminder from home has greater impact.

TASTER EVENING

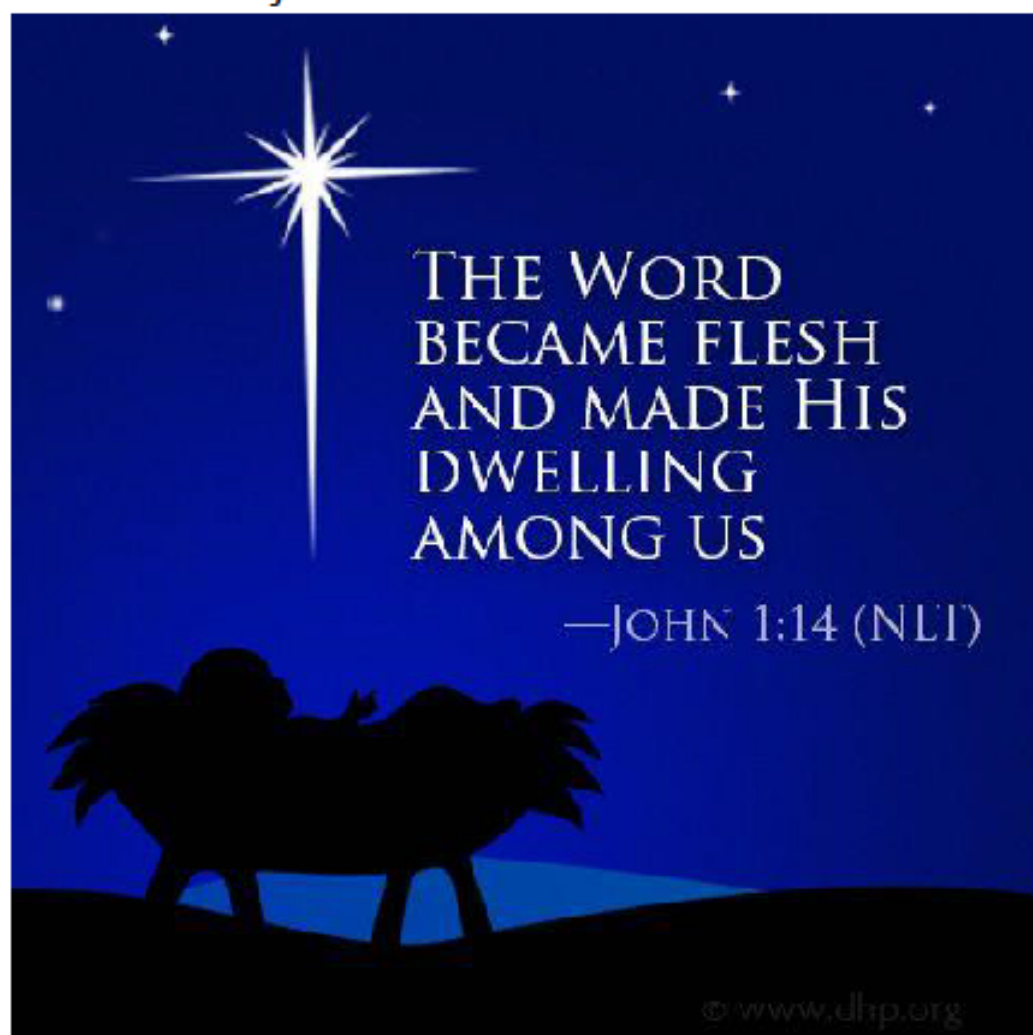

We had a wonderful response to our catering company, AIP, providing free tasters of some of the popular food served from our school kitchen. It was a great opportunity for you to sample some of what the children get to eat in school or to give the food a try if you are thinking of swapping your child to a hot meal. School dinners are really popular in the winter months as parents like to know their children are warmed up from the inside. We hope you enjoyed the food, and if it has persuaded you to let your child have a hot meal during the day instead of a packed lunch, please get in touch with Mrs Gough and she will be able to support you in making the swap.

FLU VACCINATIONS

All of the children whose parents gave consent received the flu vaccination today. If your child was absent today and you would like them to be vaccinated, please see the poster attached to this newsletter with details of how your child can be protected. The three nurses who were in were so impressed by the wonderful children. They all said that the children's behaviour was absolutely impeccable and that the school had a lovely feel to it...but of course we knew that already! Our lovely children never fail to amaze us and make us so proud of them.

"Love one another, as I have loved you, in our home, school and parish families."
