AFTERSCHOOL LIBRARY

Thank you so much to all of our Key stage 1 parents who brought their children to the after school library last Monday. We had a great turn out, and it is great to know that the children are enjoying high quality books at home purely for the love of reading and a passion for books. It is KS2's turn next Monday. Please do encourage your child to attend if you do not collect them, or bring them along yourself if you are lucky enough to be able to pick your child up from school.

#LovetoRead

PARENT CONSULTATIONS

Parent consultation letters will be sent out this week. Please return your form as quickly as possible in case the original meeting time is not suitable for you. We will then have ample time to arrange a new meeting that is more convenient. We hope you love getting the chance to hear about the progress your child is making and, hopefully, listen to what a superstar your child is in school. All of the children's books will be available for you to browse through so you can see for yourself.

ATTENDANCE

Some of you will have received letters recently detailing your child's absence rates. These will only be received if your child's attendance is currently below 95%. This is the level of attendance that is set by the government and which all schools have as a minimum target. It is widely known, that poor attendance at school affects many aspects of a child's school life. Obviously their academic progress will be affected, but it also can have a negative impact on relationships and friendship groups. We totally understand that some children are off for perfectly valid reasons, and we know who they are, but our management system will automatically generate a letter regardless of the circumstances. The letters will be sent at the end of each term. Please do not be offended if you receive a letter despite having informed us of a genuine reason for absence. We love to see all of our children every day, and it is only by being in school every day that they will optimise their learning. For the past two weeks we have been delighted that our Reception class, who usually struggle to have high attendance rates, highest % rate have been

awarded the £5 for being the class with the highest attendance percentages 2 weeks running.

Well done, children. Look how happy they all look. I wonder who it will be next week?

COFFEE MORNING

Next week we will be holding a coffee morning in school for parents of any child who has difficulties at school. Mrs Kavanagh will be sending invitations out. We do hope you can attend this event. It will be a great opportunity to network with other parents from school who also have children who might need to access additional support services to assist them with their learning. Mrs Kavanagh will also be on hand to answer any questions or queries that you might have. All you have to do is turn up and we will provide the tea, coffee and cakes.

Love one another, as I have loved you, in our home, school and parish families.

Well done to all of our wonderful stars this week.

Safer Internet Day 2020

Safer Internet Day 2020 | Tuesday 11 February

Together for a better internet

www.saferinternetday.org.uk

Safer Internet Day (SID) is on the 11th February this year and will be celebrated globally with the theme: Together for a better internet

What is Safer Internet Day?

Safer Internet Day is coordinated in the UK by the UK Safer Internet Centre but is celebrated across the globe. Its aim is to inspire a conversation about using technology responsibly and urges parents, schools and other organisations to get involved.

Resources for parents

The UK Safer Internet Centre have produced a series of short films for SID in which they asked young people to give their advice for parents/carers about how they can talk to their children about their online lives. The clips are available to watch here:

<https://www.saferinternet.org.uk/safer-internet-day/safer-internet-day-2020/i-am-parent-or-carer/film-how-can-parents-talk-children>

We hope you can get involved on the 11th February!

YouTube: Restricted mode

Does your child use YouTube? Have you set up the restricted mode? Restricted Mode (available on the website and app) allows the user to restrict access to mature or objectionable content.

Childnet have produced a parent's guide to YouTube Restricted Mode, which illustrates how it works and what you should be aware of:

<https://www.childnet.com/blog/a-parents-guide-to-youtube-restricted-mode>

Remember that this mode may not be 100% effective.

YouTube Kids may be a safer option for your family as it provides additional settings such as a content filter by age as well as providing a more contained environment.

Users of this guide do so at their own discretion. No liability is entered into. Current as of the date released 1.2.20.

Apple iOS: Parental controls update

Hollie Guard App

The Hollie Guard app works on iPhone, Android and Windows devices. The app allows you to keep an eye on your children while they are traveling to and from school using the Journey feature, so whenever they use this feature, their emergency contacts (you) are informed about where they're going.

Users can also use this app to get help quickly while out if they're in danger. If a user is in danger, they shake or tap their phone, which activates Hollie Guard and automatically sends their location and audio/video evidence to their designated contacts. Visit their website for further information or to register your interest:

<https://hollieguard.com/>

If your child has an Apple device then you/they have probably updated their device to iOS 13.3 by now. Did you know that this update included two new screen time features for parents?

Communication limits

This new feature allows you to limit who your child can call, FaceTime or Message during allowed screen time and during downtime. During allowed screen time, users can be contacted by everyone or by contacts only, which prevents unknown contacts from contacting them.

You will need to go to Settings - Screen Time - Communication Limits to set up. *iCloud syncing of Contacts must be enabled for this feature to work*

Contact list

The contact list for children lets parents/careers manage their child's contacts on their child's devices.

The above two features are in addition to the parental controls offered by Apple. To set up parental controls or for further information about all of the other parental controls available (such as preventing explicit content) then visit Apple's website here:

<https://support.apple.com/en-gb/HT201304>

Childline Calm zone

Childline have created this area, which includes activities, tools, games and videos. Its aim is to give you ideas to make you feel calmer when you are stressed or anxious.

AC Academy are delighted to announce their fourth performance on the world's most famous stage at the Royal Albert Hall! Over 2,500 singers from our AC Academy choirs across the UK will be joined by world class musicians and soloists in an epic concert which will set people's hearts on fire through some of the greatest music ever written. From opera to pop to a classic 'Last Night of the Proms' medley, these incredible singers will create a totally unforgettable evening!

Armonico Consort's Voice Squad Choirs from across the UK will also come together, along with the incredible children from our Special Educational Needs programme, all performing together as one unified voice.

WEDNESDAY 03 JUNE, 7PM | ROYAL ALBERT HALL

TICKETS: £27.30 | £25.69 (includes applicable fees and levy)
