PARENT CONSULTATIONS

Thank you to all parents who came to meet with class teachers to hear about the progress their children are making. It is a wonderful opportunity to see for yourselves the excellent work they produce and to hopefully hear about all of the good things they do whilst in school. We hope you were impressed!

WORLD BOOK DAY

Children will be coming home today with a letter detailing the many things that will be happening on world book day. As in previous years, the children will be invited to come in dressed as one of their favourite book characters. One thing that we will be doing differently this year, is inviting parents in to their children's classes at the end of the day to listen to a story read by their class teacher. We appreciate that some of you have more than one child, but if it proves to be popular it will be something we will do again so you get the chance to visit more than one classroom. We really hope that as many as our parents take this opportunity as possible. We really hope that you enjoy seeing your children in their school environment.

ASH WEDNESDAY

Ash Wednesday this year is on Wednesday 26th February. There will be Mass in both parish churches: St. Anne's at 10am and Corpus Christi at 7pm. Obviously Ash Wednesday falls during the school half-term this year, so it is important that parents remember to make provision for their children and take them to either of the masses.

LOST JUMPERS

We get many parents coming in to school telling the office that their child has lost their jumper. We are happy to help the children look for their jumper, but if it does not have a name in it it is virtually impossible to return lost jumpers to their rightful owners. This is a job that literally takes seconds! It doesn't have to be anything fancy, a simple sharpie pen used to write the name on the label. There is even a special place for you to write it. There are 197 jumpers in school. If you want your child to be able to hold onto theirs, you have one very simple task to do. Thanks

E-SAFETY

We had a very successful e-safety day last week. We focused on the children behaving appropriately online, and realising that what is written online leaves a digital footprint that can never be erased and that words hurt. We have all seen in the press the devastation unkindness online can lead to—we want all of our children to use kind hands, feet and words always...particularly online. Our monthly e-safety newsletter is attached. Please do take the time to read it carefully and follow any advice within it. As a parent, I find it incredibly useful and I know that if I do action the things suggested I will be helping to keep my own daughter as safe as possible online. We do urge you to do the same. Keep the channels of conversation open with your children about the apps and platforms they are using to share information. If you, as their parent, are not comfortable with it, take control and remove it. Remember: No social media platform is meant for any child under 13 years of age.

Love one another, as I have loved you, in our home, school and parish families.

Happy Retirement

Today we say a farewell to our much loved Debbie Payton. Debbie has been coming to look after the children at lunchtime, making sure they are happy and safe, for **32 years! We will miss seeing her face every day, but we send her with love and best wishes for a long, healthy and happy retirement. Come back and see us anytime.**

Congratulations

Well done to all of our wonderful stars this week.

	Star 1	Star 2

Safer Internet Day 2020

Safer Internet Day 2020 | Tuesday
11 February

Together for a better internet

www.saferinternetday.org.uk

Safer Internet Day (SID) is on the 11th February this year and will be celebrated globally with the theme: Together for a better internet

What is Safer Internet Day?

Safer Internet Day is coordinated in the UK by the UK Safer Internet Centre but is celebrated across the globe. Its aim is to inspire a conversation about using technology responsibly and urges parents, schools and other organisations to get involved.

Resources for parents

The UK Safer Internet Centre have produced a series of short films for SID in which they asked young people to give their advice for parents/carers about how they can talk to their children about their online lives. The clips are available to watch here:

<https://www.saferinternet.org.uk/safer-internet-day/safer-internet-day-2020/i-am-parent-or-carer/film-how-can-parents-talk-children>

We hope you can get involved on the 11th February!

YouTube: Restricted mode

Does your child use YouTube? Have you set up the restricted mode? Restricted Mode (available on the website and app) allows the user to restrict access to mature or objectionable content.

Childnet have produced a parent's guide to YouTube Restricted Mode, which illustrates how it works and what you should be aware of:

<https://www.childnet.com/blog/a-parents-guide-to-youtube-restricted-mode>

Remember that this mode may not be 100% effective.

YouTube Kids may be a safer option for your family as it provides additional settings such as a content filter by age as well as providing a more contained environment.

Apple iOS: Parental controls update

Hollie Guard App

The Hollie Guard app works on iPhone, Android and Windows devices. The app allows you to keep an eye on your children while they are traveling to and from school using the Journey feature, so whenever they use this feature, their emergency contacts (you) are informed about where they're going.

Users can also use this app to get help quickly while out if they're in danger. If a user is in danger, they shake or tap their phone, which activates Hollie Guard and automatically sends their location and audio/video evidence to their designated contacts. Visit their website for further information or to register your interest:

<https://hollieguard.com/>

If your child has an Apple device then you/they have probably updated their device to iOS 13.3 by now. Did you know that this update included two new screen time features for parents?

Communication limits

This new feature allows you to limit who your child can call, FaceTime or Message during allowed screen time and during downtime. During allowed screen time, users can be contacted by everyone or by contacts only, which prevents unknown contacts from contacting them.

You will need to go to Settings - Screen Time - Communication Limits to set up. *iCloud syncing of Contacts must be enabled for this feature to work*

Contact list

The contact list for children lets parents/careers manage their child's contacts on their child's devices.

The above two features are in addition to the parental controls offered by Apple. To set up parental controls or for further information about all of the other parental controls available (such as preventing explicit content) then visit Apple's website here:

<https://support.apple.com/en-gb/HT201304>

Childline Calm zone

Childline have created this area, which includes activities, tools, games and videos. Its aim is to give you ideas to make you feel calmer when you are stressed or anxious.

AC Academy are delighted to announce their fourth performance on the world's most famous stage at the Royal Albert Hall! Over 2,500 singers from our AC Academy choirs across the UK will be joined by world class musicians and soloists in an epic concert which will set people's hearts on fire through some of the greatest music ever written. From opera to pop to a classic 'Last Night of the Proms' medley, these incredible singers will create a totally unforgettable evening!

Armonico Consort's Voice Squad Choirs from across the UK will also come together, along with the incredible children from our Special Educational Needs programme, all performing together as one unified voice.

WEDNESDAY 03 JUNE, 7PM | ROYAL ALBERT HALL

TICKETS: £27.30 | £25.69 (includes applicable fees and levy)
