Also

New to St Anne's Reception children in to meet teachers 1pm-3pm (Fridays 2pm finish)

14th September

All children to start their usual timetable

strangest of years, we would like to thank you all for supporting your children so well throughout the shutdown of schools. We have been open to a small number of children from day on, and 45 children have been attending since 15th June. Each of those attending has been amazing-keen to learn and eager to please. It makes us so excited to welcome back ALL of our children in September. There have been lots of letters sent informing you arrangements for of the September. Should you need to remind yourself of any of the information, all letters are under the parents/letters to parents tab. We will of course be back in touch at the start of September. School will be open to staff from 1st September, but we will not be open to children until 3rd. Nursery and Reception children's dates are slightly different. Please refer to the previous letters for details.

Breakfast club and after school clubs will continue to run, but so we can run them safely it is vital that you book your child in beforehand.

May I please take this opportunity to say a huge thank you to those parents who have been so supportive of our efforts throughout this difficult time. It has been difficult, but a small word of thanks goes such a long way. This has been team work at its absolute best and we wholeheartedly thank YOU for being an integral part of our team for the last four months. Please God, if everybody continues to be sensible and safe. the world will be returning to normal by the time all of our children are back. We have some new members of staff joining us in September. The children in year 3 will have anew teacher, Miss McNally. We are sure they will adore being in her class with her zest for life, her enthusiasm and her passion to be a great teacher. The children in year 1 will have a new TA. Miss Mitchell is a talented guitarist and singer and will support the children beautifully with their collective worship. Miss Mitchell has done lots of outreach work with children across the city and beyond and we know she will make a valuable addition to our tem. The children in Reception will also have a new TA. Miss Summers has just graduated from university and has been spending the lockdown period tutoring and teaching children. Again, she will be a valuable addition to our team and we know the children will love her also. At the end of this term we say goodbye to Mrs O'Shea and Mrs Taylor. They have been outstanding members of staff and will both be greatly missed.

Mr Kitching and his wife will be welcoming their new baby any time now. We wish them huge amounts of love and luck with this adventure, and we look forward to sharing their happy news as soon as we can.

As always, we will be continuing to improve our site over the summer months. We will be installing a new outdoor gym on the field that the children can use during their break and dinner times. We will also be upgrading the roof on the EYFS outdoor classroom so it can be used in wet weather without having to dodge the leaks! Finally, a huge goodbye to out wonderful year 6 children. It has been a shame that they have missed out on so many of the end of primary activities we would normally celebrate, but hopefully their afternoon on Wednesday provided them with some memories. They have been incredible and we will miss them enormously. Go and be happy.

Please enjoy the summer with your children. As said previously, we will be closing the work sharing and urgent contact email addresses. As a school, we will not be setting any worjk for the children to complete over the summer, but do keep their brains active if you can. We look forward to welcoming everybody back, safe and well, in September. It will be the best September ever!

God bless, Mrs Baylis.

Love one another, as I have loved you, in our home, school and parish families.

St Anne°s Primary School Termly Merits for 2020

Well done Everyone!
