WELCOME BACK TO SCHOOL

We were absolutely delighted to be able to welcome back the whole school yesterday. The school now feels alive again. Every member of staff spoke of how wonderfully behaved the children were and how they settled beautifully. It was fabulous to see them come back to school with such big smiles on their faces. Obviously there were a few nerves, but generally—given how long it has been since most of them have been in school—they were all amazing. We think it has really helped for them to return to their old class and their old teacher for a short amount of time. Some are a little confused as to which year group they are in. They are in their new year but they are being taught, currently, by their old teacher. From the 14th September, they will be with their new teacher in their new rooms. Once they are in their new classrooms, I am sure they will all be much more confident in understanding what their actual year group is. It is a strange start to the year, but we hope it will support them for when they transition to their next class.

DROP OFF AND COLLECTION FROM SCHOOL

We feel that drop off to school was much more organised today. There were no huge clusters of people at the front of the school and the flow through the school playground was calm and organised. We thank you so much for your patience and understanding. It is new for all of us. We really do value your feedback, and will try to put in additional measures when we see something is not working. We want this to work for you and the children—that is our main concern—but please remember that we have to work within the guidelines that we have been given. We are doing our best, and I think that once everyone is clear on the system, and their allocated time slots, it should run smoothly. It would help us enormously if you could stick to your time slot. If you have more than one child, please arrive at the **LATEST** slot. This will massively help with easing congestion. The children in years 3-6 have been amazing at coming in to

school by themselves. Thank you so much for supporting us with this. We understand that the systems we have put in place will never be perfect for everyone, but we have done our very best to do what we think is best for the majority. We are hugely disadvantaged due to our site. Unlike other schools, we only have one entrance, the pavement outside school is very narrow, there are lots of double yellow lines in the area...all of this adds to difficulties. It was always difficult but now even more so, so thank you for bearing with us.

PASSPORTS TO FAITH-

Passports to faith are now available from Father David. If your child was due to make their first confession or their First Holy Communion during lockdown, it is vital that you go to St. Anne's church to collect them.

AFTER SCHOOL CLUBS

All of our clubs will be starting soon. Please look out for letters regarding football, netball and a new gymnastics club as places will be offered on a first come first served basis.

Here's to a happy, successful year at school...free from any closures!

Love one another, as I have loved you, in our home, school and parish families.

Willenhall Food Hub

Offer discounted food parcels, typically about £20 worth of groceries food for a cost of a £4 membership per week.

You need a referral from

Woodside Family Hub 02476978090

Eureka A Place of Discovery

St John the Divine Church

REED in Partnership

If this is something you feel you need, please make an appointment to see Anna-Marie Maguire at school. She is able to make referrals to the hub on behalf of the school.
