Children return to school

Newsletter: Friday 18th December 2020

STARS OF THE TERM

We know that every single child has been an absolute star this year. They returned to school that was very different to that which they left behind, but they have coped with the changes amazingly. We couldn't be prouder of them. However, teachers have managed to choose their term stars on line with what we have always done.

We would like to take this opportunity to wish all of our children and families a very merry Christmas and a happy and healthy new year. We truly hope and pray that 2021 is a better year from everyone when we all return to life as we knew it. In school, we will continue to try to provide the best experiences for the children, in line with what is allowed.

May I also take this opportunity to say the biggest heartfelt thank you to every parent who has sent cards, gifts and good wishes for the festive season. I know I say it every year, but your generosity is truly appreciated and never taken for granted. We know we are blessed with our wonderful children and families. It is they that make the job the best in the world. It has undoubtedly been a long, tiring and arduous term but each day brings so much joy and something to smile about.

You should have received a text today regarding

the virtual nativity. Again, we had to do things differently this year, but staff had tried to put a montage together of the different parts of the nativity to blend into one production. Huge thanks to Mrs Cooney for excellent editing of the year 6 section and to our very talented Mr Harwood who put it all together seamlessly. Please do take a look and see if you can spot your little ones. There is no Christmas day mass at St Anne's this year but there will be one at Corpus Christi. There will be many other masses at St Anne's so please make yourself aware of these dates.

Monday 4th January is a teacher training day, but the children will return to us on Tuesday 5th January 2021. You might have heard that the government have requested Secondary schools have a staggered start to the new school year. Primary schools have not been instructed to do this...yet. So, as far as we are concerned, we will happily welcome all children back on Tuesday 5th

Enjoy your little ones over the festive season.

Mrs Baylis

Have a happy and holy Christmas.

Our wonderful End of Term Merit winners!

Nursery	Veronica	Callum
Year R	Matthew	Lionel
Year 1	Brea	Danniella
Year 2	Belle-Lorna	Jack T
Year 3	Renesamae	Regan
