Children return for the Autumn term

Newsletter: Friday 16th July 2021

LAST WEEK

It is hard to believe we have just completed the last full week in school for this academic year. The children have two more days to attend, and there is plenty happening in those final two days to make them excited. Each class will be having their class parties on Monday. School will, on this occasion, provide the snacks for the children. This is so we can be sure that all food has been quarantined in line with recommendations. On the last day, Tuesday 20th July, children will take part in their sports morning. The forecast is for it to be very warm, so do please ensure they have had sun cream applied and have a hat to wear. We will provide drinks and refreshments. As I have said in previous newsletters and text messages, schools have been instructed to lift none of the restrictions we currently have in place. So, despite the national lifting of restrictions on the 19th, they are not applying to Coventry schools. Therefore, sadly, we cannot change the decision for parents not being allowed to attend.

As a treat for the children, after what has been a difficult 18 months, we will be providing a barbeque and an ice cream or an ice lolly for each child. I would like to give HUGE thanks to **Liam Harkin**. He is the dad of Ava and Hughie (Nursery and Reception) He has donated, extremely generously, the money for every child to receive this treat. It is not the first time he has made a generous donation to the school and we are hugely grateful for his generosity and care. Thank you so much, Liam!

READING BOOKS

We have now had most of the children's current books returned to school. If your child has not returned their book, please do so as a matter of urgency. It enable us to carry out an inventory over the summer and restock where there are gaps. Many thanks

FATHER STEPHEN FAWCETT

This week, our year 6 children attended their leavers' mass with our new priest. He made everyone feel very welcome and was very complimentary about the children who he met for the first time. He will be coming into school on Monday to meet the children in their classes. This evening, you will each receive an invite to his induction mass on Sunday 25th July. It would be lovely if as many of us could welcome him to his new parish as possible. As you will see on the invite, it is at 9.00am in St Anne's church. We hope to see you there!

COVID

I hope I am not speaking too soon, but in comparison to other school across the city, we have been extremely fortunate with covid outbreaks. We have had to ask staff and children to self-isolate because of being a close contact, but (thank God) we have had no positive case within our school community. Please be assured that we continue to follow the guidance to the letter, and follow

all advice. If you have any questions about how we deal with incidents, we are always happy to explain.

YEAR 6

On Monday, our year 6 children will mark the end of their time at St. Anne's with a celebration evening. It is a chance for the children to dress up, share some food and have some fun. This cohort is very special to me, as most of us started at St. Anne's together. It has been lovely to see them grow from timid, small four year olds to the confident, bright eleven year olds they are now. We shall miss you, children, and we wish you every happiness and success as you move to your new schools. Do stay in touch with each other. Remember the friendships you have forged and go forward as positive, kind, hard-working young adults. Try to be people who see the best in things and the best in people—try not to be negative! Try not to be people that always see the worst—look for the best, and remember to 'always look on the bright side of life'. Remember to have a sense of humour and a sense of fun. Those qualities will get you far in life, and I will be watching and asking regularly to see how you are all doing in the next stage of your journey. Go and show them what you are made of!

Love one another, as I have loved you, in our home, school and parish families.
