## Newsletter: Friday 24th September 2021

### NUT FREE SCHOOL

We currently have two members of our school family who have a serious nut allergy. Exposure to nuts for these individuals can be, as you know, life threatening. Can we please remind all parents that no products containing nuts should be brought into school. This includes nutella/ chocolate spread sandwiches. We have a duty of care to all the vulnerable people within school. We know that you will totally understand this and will support us in ensuring no products containing nuts are sent in with your child's lunch or at any other time. Thank you

### GO GREEN FOR CAFOD

Next Friday, 1st October, the school will be asking our families to support the 'Go Green for CAFOD' campaign. We will be asking children to wear something green on that day. If they have absolutely nothing green, then they can come in wearing non-school uniform. Could we politely ask for a donation of £1—we will ask you to pay this, as always, through the school pay APP as we no longer have any cash in school. This money will be sent straight to CAFOD to support the excellent work they do in supporting overseas developments.

### ON-SIDE COACHING

Many of our children will have had forest school sessions during their Friday enrichment afternoons. We are delighted to report that 'on-side', the company that delivers this area of the curriculum, have been nominated for a prestigious award for the work they do. We are delighted for them, and will be keeping everything crossed that they win.

### SCHOOL HOLIDAYS AND TEACHER TRAINING DAYS

There was a slight error on the holiday dates list that was attached to the newsletter last week. This has now been amended, and you will find the correct version attached to this newsletter. Sorry for any inconvenience this may have caused.

### MORRISONS—LOVE TO GROW

Please see the attached leaflet detailing the love to grow scheme they have started. If any of you, or anyone you know, shops in Morrisons, please can you collect the coupons on behalf of our school. The resources we could buy with the vouchers would greatly help our EYFS with their planting. We could also use the resources to reignite our outdoor poly-tunnel. Thank you.

### COVID CASES

Covid cases in schools are rising hugely at the moment. Can we please ask for your support in wearing masks whenever you can. COVID in children might present differently to the classic symptoms we have seen previously in adults so, if in doubt, please do take your child/children for a PCR test. We have many children off with sickness at the moment too. Please adhere to the 48 hour clear rule and please do not send your child back to school if 48 hours have not passed since their last episode of vomiting. This will help our school stay open and be as safe an environment as possible.

### NEW SCHOOL DINNER MENU

When we return after the half term break, our catering providers will be introducing a brand new menu. I have met with staff today, and we feel that this is a fabulous menu that will appeal to all of the children. There will be more choice every day, so there will definitely be something for everybody's taste. We look forward to sharing the menu with you when it is finalised. To ensure the children get to eat what they know they like, we will be asking the children to make their choices every morning. All of the menus pass stringent food safety and nutritional value checks, so you do not need to worry that they are making unhealthy choices. The menu choices are balanced over the week so you be assured that their independent choice will always be a good one. We will still offer a sandwich for those children who really dislike everything, but we will always encourage a hot choice first. Having looked at the menu, we doubt that there will be days where the children can't choose something they like the look and the sound of.

### PARKING OUTSIDE SCHOOL

We still have some parents who persistently park unsafely outside our school. The 6 places below are taken from a list of 18 places where it is ILLEGAL to park. Please put the safety of the children first, even if that means you have to walk for an extra 2 minutes.

1. Near a school entrance (see specific section above)
2. Anywhere that would prevent access for emergency vehicles
3. On a bus or tram stop, or a taxi rank
4. On the approach to a level crossing
5. Opposite or within 32 feet of a junction, except in an authorised parking bay
6. Near the brow of a hill or humpback bridge

*Love one another, as I have loved you, in our home, school and parish families.*

VIRTUAL COFFEE MORNING

DOES YOUR CHILD OR  
YOUNG PERSON HAVE  
SPECIAL NEEDS?  
HOW ARE YOU DOING?

Get in touch with us if you would like an invite to our Virtual Coffee Morning using Microsoft Teams App (we can help you with this). Meet other parents in a similar situation. Share with others in a friendly, non-judgemental environment, together with a member of staff from SENDIASS and Carers Trust Heart of England.

# Welcome to It's Good to Grow

At Morrisons we want to support you to get the next generation growing, because the more kids know about how food's grown and made, the better they'll eat, now and in the future.

In this pack are some items to place around your school, to tell parents and children that you're collecting.

Included are...

- An awareness Banner to place at the front of your school
- An awareness Poster to place around the school entrances
- A collection goal Poster to show parents and children the equipment you're collecting for
- A target Poster to update parents and children on your school's progress

You also have your own school dashboard on [itsgoodtogrow.co.uk](http://itsgoodtogrow.co.uk)

Here you can...

- Find helpful resources
- View your token count
- See how many people are collecting for you
- View the products you'll be able to redeem

And much more!

**Visit [itsgoodtogrow.co.uk](http://itsgoodtogrow.co.uk) to download resources**

## How it works...

- 1 Morrisons customers download the MyMorrisons app
- 2 They sign in or register to MyMorrisons and select the school they wish to collect for
- 3 They scan the app at checkout or use online when shopping
- 4 For every £10 spent they will receive a **Grow Token** to donate to their chosen school
- 5 Your school can exchange your **Grow Tokens** for free gardening equipment after the collection period

## Grow Tokens can be exchanged for things like...

...and much, much more!
