Dear Parent/Guardian,

We have been receiving a number of complaints about dangerous/inconsiderate parking around St Anne's Primary School.

Our main priority is the safety of the children and their safety when crossing the road. We are working closely with the school to make the roads in the area safe.

We appreciate that the weather has changed for the worse however, we ask that you please park responsibly and take into the consideration the safety of the children crossing the roads at the busy pick up and drop off times.

We will be patrolling around the area during these busy times and speaking to parents/guardians who are parking dangerously or inconsiderately. Individuals will be investigated by the local policing team which will lead to a fixed penalty notice.
