PANTOMIME

The children all had a wonderful time on Wednesday when the whole school visited the Belgrade to watch Beauty and the Beast. It was a long show, but the children thoroughly enjoyed it. As always, they were an absolute credit to the school and to themselves. We couldn't have been more proud of them. Thank you, once again, to Walkers Crisps who provided every child with a packet of crisps. We provided the other snacks that they ate on the day. It was a magical day and one we hope they will never forget.

CONGRATULATIONS

Congratulations to Ellie who recently came 2nd in an Irish dancing competition. We have been following Ellie's Irish dancing progress since she was in Reception, and we are all very excited to see how well she is doing. Well done, Ellie. Keep working hard at it. If your child has anything you would like us to celebrate, please do let us know—we love to hear about their varied achievements.

ALTON CASTLE

This evening, all of the children making their confirmation in January will go to Alton Castle for a weekend of fun, prayer, retreat but also partying. Mrs Maguire is very kindly supporting the children for the weekend—we thank her for her generosity in doing so. We know you will have the most amazing time, children, and we cannot wait to hear all about it.

CHRISTMAS DINNER DAY

This coming Thursday 9th December, the whole school will share in their annual Christmas dinner. We invite the children to come in wearing their Christmas jumper, if they have one, or party clothes if not. We do ask for a donation of £1 which we will make to Save the Children.

Our catering provider, AIP, ensure that every child gets a cracker to have with their meal and our family support workers decorate the room in a beautifully festive way. We are sure it will be another lovely afternoon when the staff and children get to share a meal together.

ROYAL BRITISH LEGION POPPY APPEAL

Thank you to everyone who bought merchandise for this year's poppy appeal. Our school raised a wonderful £316.10. You are all wonderful.

MASKS IN SCHOOL

Thank you so much for everybody's understanding in the re-wearing of masks. We really do appreciate your co-operation and kindness when we ask you to start wearing them again. As I am sure the vast majority of you realise, they are not our rules, but are rules that are given to us via the local authority. It really does make our job so much more pleasant when we don't have to ask/remind. Thank you again.

TERMLY REPORTS

On the week commencing Monday 13th December, your child will take home their termly report. It will give you an indication of how well your child is doing in terms of whether or not they are currently working at age-related expectations. Covid has had a devastating effect for some learners, particularly those whose attendance has been really poor since we have returned to full time education, so please do not be too alarmed if it states that your child is not quite where they need to be. We will be working hard to continue to plug any gaps that might still be there.

Love one another, as I have loved you, in our home, school and parish families.

Well done to all of our amazing stars. We are so proud of you!
