### Children's Bible Story Offer

We would like to make you aware we are now selling Children's Bible Stories through school. The children would have been shown these in school today. They are priced at £3.00. Please do ask your child about it and if you would like to purchase one please pay through school money and these will be given out in school when we return from 1/2 term..

### MATHS AT HOME

During covid lockdown, the children were excellent at accessing our online teaching support that helps them with their maths. We would really like to relaunch this. Mr Kitching has been to each class today to remind them how to access these programmes. The easiest way to do this is through our own school website. If they choose the 'children's area' they will see the links to all of the different programmes. All passwords have been re-distributed today, so half term is a perfect time for the children to practise their times tables and other key maths skills. We will be celebrating those children who demonstrate commitment to accessing these and having a go. I wonder if your child will be the pupil with the

### Comic Relief

This week we have been selling the red noses priced at £1.50 each, to support Comic Relief on Friday 18th March.

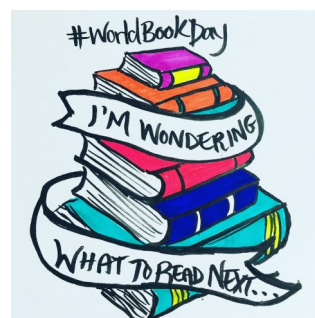

As St Anne's is 100% cashless these will be available to buy online through school money. Once payment has been received, the red noses will be handed out to the children in school. If any child would to purchase more than one red nose, please send us a message and we can add more to your child's account.

All money raised will go directly to the Comic Relief charity. Thank you in advance for your support.

### World Book Day

To celebrate World Book Day on Thursday 3rd March, all the children are invited to dress as their favourite book character. This is only if they have something, please do not go and buy something especially.
