LIVING WITH COVID

As you will be aware, the government has now entered its final stage of the COVID roadmap. We are now all learning to live with covid'. Free testing has now been stopped (except for the most vulnerable) Restrictions have been eased in terms of self isolation. If you think your child has covid, but you Symptomatic and asymptomatic testing (PCR and LFT) will cease for the majority of the population, with the exception of a number of settings identified in the press release.

People with respiratory symptoms (including COVID-19 symptoms) should stay at home, avoid contact with others and return to normal activities when well enough and don't have a temperature. For schools and early years settings this means that children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend.

For adults testing positive for COVID-19 (some people will still have LFT kits available), they should stay at home for 5 days and avoid contact with others. They should then return to normal activities, only if well enough and don't have a temperature.

For children testing positive for COVID -19 (under 18 years old), they should stay at home for 3 days and avoid contact with others. They should then return to school and normal activities only if well enough and don't have a temperature.

TERMLY MERIT ASSEMBLY

We are so excited that school is now returning to some sense of normality. The first step is to invite parents in to attend the termly merit assembly. The parents of children chosen as stars of the term have received invites. We really hope you can attend, if you have been notified. Please respond to the invitation to confirm your attendance. That way, we will be able to ensure everybody has a chair to sit on.

Thank you

SWIMMING

As we enter the third and final term of the year, our children in years 3-5 will start their swimming lessons. We are so fortunate to have the Alan Higgs centre so close to school. This means children can walk there and back, considerably reducing the cost meaning that it does not just have to be limited to year 5. The timetable for swimming can be seen under the 'Dates for your Diary' section. Please do make a note of the day your child will be attending as we obviously do not have spare kit for them to borrow should they forget their costume/trunks. They also need a towel—I know it sounds obvious, but it is amazing how many children forget! Year 6s swimming will be blocked later in the term.

UKRAINIAN CHURCH

When the crisis in Ukraine broke out, our children sent a spiritual bouquet with Father Stephen to the local church in Coventry. Please see a beautiful letter of thanks on behalf of the Ukrainian community in Coventry, along with some beautiful embroidery that is typical of National dress. Do please continue to keep the people of Ukraine in your thoughts and prayers.

PJ AND TEDDY BEARS PICNIC

Monday 4th April Children in Nursery & Reception class are invited to wear their pyjamas to school and bring in their favourite teddy.

BLUE AND YELLOW DAY

The whole school are invited to dress in Blue & Yellow on Thursday 7th April to show support to our Ukrainian families. We also ask for a donation of £1.00 for this. Should anyone wish to make any larger donations please inform Mrs Gough and she can adjust the amounts ready for payment. Again, we thank you in advance for your continued support and generosity.

EASTER EGG RAFFLE

Thank you so much to everyone who donated an egg and who bought raffle tickets. The grand total raised for the raffle was £260.00. Over 70 eggs were donated and won. All of the money raised will go to our chosen charity, Father Hudson's homes, who are supporting the Refugee crisis in Ukraine. Thank you all so much for your generosity.

REMINDER

Please may we politely remind you that no bikes, scooters etc should be ridden on school site. This includes younger or older siblings.

Love one another, as I have loved you, in our home, school and parish families.

Well done to all of our stars. We are so proud of you!

St. Wolodymyr the Great,

31.3.2022

Dear children and teachers
of St. Anne's,

What a lovely surprise when Fr. Stephen
very kindly delivered your beautiful prayers
to our church, on the morning of our Peace
Mass for Ukraine.

His Grace, Archbishop Bernard was present
and he, Fr. Taras and our congregation read
your prayers and kind thoughts for the
people of Ukraine.

It has been a very sad and difficult
time for our parish, as many of our
congregation have family and friends in
Ukraine, who have had to leave their
homes and everything they know and love
behind.

I am enclosing a small piece of
beautiful, delicate hand embroidery,
the type of cross stitch embroidery you
see on Ukrainian national costume.

As you look at this embroidery,
especially during Lent, please pray for
Peace and love in Ukraine and
in the whole world.

May God bless you all and always
keep you safe.

Love and our sincere thanks
from
Maria Hawryliw
