Its Takes A City—

Year 5 Trip to Royal
Albert Hall

WELCOME BACK

Welcome back to the third and final term for this academic year. It is remarkable how quickly this year is whizzing by. The summer term is always extremely busy, but we will continue to keep you updated with events as they approach.

I would like to start by offering our huge congratulations to Miss McNally who got married over the Easter holiday. She is now going to be known as Mrs Doherty. It might be difficult for the children in her class to start using a different name, but we are sure they will get the hang of it soon—staff are trying their hardest to remember too. As you can imagine, she looked absolutely radiant on her special day and we are all delighted that everything went to plan for her and her new husband. We have managed to appoint a replacement for Mrs Doherty once her maternity leaver starts. Mrs Sherratt, who the children have met briefly, will take over all of the teaching responsibilities in class. She comes with a wealth of experience and we are sure she will be an excellent asset to the school.

I would also like to take this opportunity to formally welcome Miss Jones to the teaching staff. You might have already spotted her on the playground and at the gate with myself and Mrs Gough in the mornings. She has been appointed as my Assistant head and will be spending the remainder of this academic year getting into classes to get to know the children and the staff. I am delighted that I have been able to add strength to my senior leadership team. As a member of senior staff, she will be able to support along, along with myself and Mr Kitching, with any issues you might have. We will always make time to speak to you if you have any concerns.

SATs

On Monday 9th May, the children in year 6 will sit their SAT exams. Mr Kitching and Mr McCaughley have been working hard to prepare the children and we are now in the final push to ensure they are as ready as possible in this final week. Your child will have been invited into breakfast club for the week of SATs, so please do take us up on this offer. It allows for a calm start to the day, ensures that nobody is late and ensures everybody starts the day with a nice full stomach. We will have a full breakfast menu available to them which is completely free of charge.

The timetable is as follows:

Monday 9th May:

Spelling punctuation and grammar paper 1 & paper

Tuesday 10th May:

English reading

Wednesday 11th May:

Maths paper 1 (arithmetic)

Maths paper 2 (reasoning)

Thursday 12th May

Maths paper 3 (reasoning)

It goes without saying that it is absolutely vital that the children in year 6 are in school every single day of next week and of course the week of their tests. Please support us with this—it is an important four days for them and we always just hope that they do their very best and achieve what they deserve. Good luck, children. We know already that we are going to be so proud of them that week. There is always a little treat for them on the Friday for getting through what can feel like a difficult week for them. That will be no different this year.

SCOOTERS and BIKES

Please can we ask again that you do not bring any bikes/scooters onto school site. This includes siblings of children being collected. Recently we have had damage to cars, injuries to children and damage to our astro turfed area. You can leave them at the top gate ready to be collected on the way home, if you wish, but please do not allow them on the playground and the immediate area. Thank you.

NETBALL SUCCESS

Well done to our netball team who took part in their final league game of the season against Good Shepherd. They won 6—4 and, whilst the positions have not been finalised, we believe that our children will be in a medal place on the league table. We are so incredibly proud of them. Huge thanks also to Mrs Borgeat and Mrs Maguire who train them so well and support them with all of their games, even when this means working hours in excess of those contracted. We are very proud of our sporting stars.

Enjoy the long weekend with your children and we will see you on Tuesday 3rd May.

Mrs Baylis

Love one another, as I have loved you, in our home, school and parish families.

Well done to all of our stars. We are so proud of you!

	Star	Star
Year R	Alexis	Leo
Year 1	Mussa	Charitie
Year 2	Frankie-Mae	JJ
Year 3	Jathan	Seyitan
Year 4	Omar	Kacey-Lee
Year 5	Daniel	Glody
Year 6	Ollie	Ivan

Happy birthday to all of the children who celebrated this week.

George, Lionel, Pritivikaa, Lucas M, Helena
