### WEEKLY NEWS

Another week has flown by...

This morning in celebration assembly it was lovely to be able to give certificates and medals to the children that represented the school last week in the Catholic Schools swimming gala. Well done to everyone who represented the school we are very proud of you.

Sporting success has continued this week for our netball team who played both a league and cup match this week winning both! Again we are incredibly proud of you.

Thank you to the children in EYFS and KS1 who donated cakes today. All the money we have raised will go towards our chosen Lenten charities. Next Friday children in KS2 are being asked to bring in cakes to sell to the whole school.

A reminder that on Thursday we have World Book Day and children are able to come in dressed as their favourite book character.

Have a lovely weekend.

### **24-25 TERM DATES**

Please see the attached term dates. Holidays must be taken within the school holidays when school is closed. If holidays are booked we can not guarantee the school place will be kept available for when you return. Thank you.

### **SCHOOL UNIFORM**

Please remember to label all items brought into school, with your child's name and year group.

Please can children be wearing school shoes and not trainers when it is a normal uniform day.

### **SICKNESS**

If your child has vomited they must be kept off school for at least 48 hours in case this is a bug. We must ensure it is not passed on to the other children or staff. We appreciate your support in this matter.

### **BIRTHDAYS**

If it is your child's birthday please only send in a small bag of sweets to be handed out to their classmates. We will not be able to accept anything other than these. We cannot accept any party bags or birthday cakes and these will be sent home. This is due to some children in school who have varied food allergies. Please save these generous gifts for their birthday parties.

This session will introduce the steps of Emotion Coaching and it's scientific basis and will involve practical activities and resource sharing so that parents can begin to use this increasingly popular approach straight after the session.
