### WEEKLY NEWS

We have had a busy last week of term here in school. Year 5 enjoyed going to Sacred Heart at the start of the week for their Mousike Ensemble.

On Tuesday we had an Awards Assembly where children from each class were recognised for working hard this term.

On Wednesday morning children in Years 1, 2 and 3 showcased their amazing dance skills that they have been learning with Ricky. Thank you to all the parents for coming and supporting the children and we loved your dance moves too at the end!

Today we finished the term with Year 3 & 4 leading a beautiful and reverent Stations of the Cross service. It was a wonderful way to end the term.

Wishing you all a very happy and holy Easter.

### SCHOOL MASS

On Thursday 11th April will be a whole school Easter mass at school at 9.00am everyone is invited.

# El Salvador Cross Competition

For Christians, the cross is a sign of hope because it symbolises Jesus' resurrection after his death.

The people in El Salvador are relatively poor and the people have suffered many conflicts in recent times. Christian Bishops, Priests and Nuns have even lost their lives standing up for the poorest people, but they have faith that the future will be peaceful.

For El Salvador, images of the sun, flowers, animals, people and homes represent reminders of the good things in life. The designs are in bright colours because they are a sign of hope.

Task:

We would like a Cross designed for our school of St Anne's. We would like it to be bright and colourful and full of images that represent our school and community. The winning designs will then be printed and displayed around school so that everyone can enjoy them.

Please can designs be bought back into school by Friday 19th April.

### A Parent's Guide to Cyberbullying

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

**Many young people who are victims of cyberbullying suffer in silence.**

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

**It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.**

**Online safety is when young people know who they can tell if they feel upset by something that has happened online.**

**Parents** please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
